Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Exemplar Capital, LLC (the "Company") as of December 31, 2018, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of the Company as of December 31, 2018 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Exemplar Capital, LLC Notes to the Statement of Financial Condition December 31, 2018

1. ORGANIZATION

Exemplar Capital, LLC (the "Company") is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA"). The Company is a wholly owned subsidiary of Exemplar Companies, LLC (the "Parent"). The Company was formed in 2011 as a limited liability company in accordance with the laws of the Commonwealth of Massachusetts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting policies and reporting practices of the Company conform to the practices in the broker-dealer industry and are in accordance with accounting principles generally accepted in the United States of America.

Government and Other Regulation

The Company's business is subject to significant regulation by various governmental agencies and self-regulatory organizations, including the SEC and FINRA. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations. As a registered broker dealer, the Company is subject to the SEC's net capital rules (Rule 15c3-1) which require that the Company maintain a minimum net capital, as defined. The Company will operate in accordance with the exemptive provisions of paragraph (k)(2)(i) of SEC Rule 15c3-3.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments having original maturities of three months or less at the date of purchase to be cash equivalents. The Company may, during the ordinary course of business, maintain account balances with banks in excess of federally insured limits. The Company has not experienced losses on these accounts, and management believes that the Company is not exposed to significant risks on such accounts.

Revenue Recognition

The Company recognizes digital currency offering, investment banking success, and corporate advisory fees as earned upon successful fulfillment of contractual obligations and when collection is reasonably assured. Management regularly assesses the need for an allowance against receivables and establishes an allowance when collection probability becomes remote.

Use of Estimates

The preparation of the Statement of Financial Condition in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2018 and the disclosure of contingent liabilities. Actual results can differ from those estimates.

Exemplar Capital, LLC Notes to the Statement of Financial Condition (continued) December 31, 2018

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

No provisions have been made for income taxes since the Company is a single member limited liability company and is considered a disregarded entity for income tax purposes. The sole member is liable for income taxes based on the Company's taxable income.

The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in expenses.

The U.S. Federal jurisdiction and the Commonwealth of Massachusetts are the major tax jurisdictions where the Company files income tax returns. The Company is subject to U.S. Federal or Commonwealth examinations by tax authorities for all periods since 2014.

3. GOING CONCERN

In connection with the Company's assessment of going concern considerations in accordance with ASU 2014-15, (Disclosures of uncertainties about an entity's ability to continue as a going concern), Management has determined that the Company has access to funds from the Parent that are sufficient to fund the working capital and minimum net capital needs of the Company for one year from the date of issuance of these financial statements, and the Parent has committed to such funding and has stated that it intends to continue to make capital contributions to the Company, if necessary.

4. RELATED PARTIES

The Company and its Parent have entered into an agreement whereby they share office space and office services at no cost to the Company. In addition, the Company and its Parent have entered into an agreement whereby the Parent allocates certain compensation costs. As of December 31, 2018, no amounts were due under this contract.

5. NET CAPITAL REQUIREMENTS

The Company, as a registered broker-dealer, is subject to the Securities and Exchange Commission's Net Capital Rule (Rule 15c3-1), which requires that the Company maintain Net Capital (as defined in the Rule) equal to the greater of \$5,000 or 1500% of Aggregate Indebtedness (also as defined), and requires that the ratio of Aggregate Indebtedness to net capital shall not exceed 15 to 1. At December 31, 2018, the Company's Net Capital was \$31,846 which was above the required Net Capital by \$26,846. At December 31, 2018, the Company's ratio of Aggregate Indebtedness to Net Capital was 0.01 to 1.

Exemplar Capital, LLC Notes to the Statement of Financial Condition (continued) December 31, 2018

6. COMMITMENTS AND CONTINGENCIES

The Company is exposed to various asserted and unasserted potential claims encountered in the normal course of business. As of December 31, 2018 and through the date of this report there were no such claims.

7. CONCENTRATION OF CREDIT RISK

The Company maintains cash and savings accounts at one financial institution. Cash balances are insured by the Federal Deposit Insurance Corporation up to \$250,000 per insured bank account. The Company has not experienced any losses in the past in these accounts.

8. RECENTLY ISSUED ACCOUNTING PRONOUNCEMENTS

New Accounting Standards Not Yet Adopted

In February 2016, the FASB issued ASU 2016-02, Leases, which creates ASC 842, Leases. This guidance requires a lessee to account for leases as finance or operating leases. Both types of leases will result in the lessee recognizing a right-of-use asset and a corresponding lease liability on its statement of financial condition. The new guidance will be effective for the Company beginning January 1, 2019, with early adoption permitted.

Adoption of New Accounting Standard

On January 1, 2018, the Company adopted the new accounting standard ASC 606, *Revenue from Contracts with Customers* and all the related amendments ("new revenue standard") to all contracts using the full retrospective method. There were no adjustments required related to the adoption of the standard.

9. SUBSEQUENT EVENTS

Management has evaluated for disclosure the impact of all subsequent events through the issuance date of the financial statements. No such events require disclosure.
